Broker's MEETING

COLLABORATIVE MEETING REGARDING UPCOMING CHANGES TO BUYER BROKER COMPENSATION

With the upcoming changes to buyer broker compensation that affect not only bridgeMLS but all of the CAR forms and, ultimately, the sales process in your systems, we are hoping you will join us in an upcoming East Bay Broker Zoom call hosted by Bridge.

During this time of uncertainty and abundant changes, including homeowners' insurance issues, we think it is in the best interest of our local brokerages to work together collaboratively so their agents and clients are supported through this transition. Plus, it will be effective and fun to reconnect with one another more often!

We hope to meet once a month and hope you will join us on each call.
